The IEEE RAICS 2025 - 7th International Conference on Recent Advances in Intelligent Computational Systems is the flagship event of the IEEE Kerala Section. Maker Village, IITMK, will serve as the venue for this year's conference. This year, the conference seeks to unite entrepreneurs, start-ups, industry leaders, and researchers at Maker Village, India's largest hardware incubator. In light of Kerala's thriving start-up ecosystem, the conference will feature a dedicated start-up exhibition. Additionally, special programs such as investor sessions will be hosted alongside the technical sessions.
